General Rules

- Register as soon as registrations are called for.
- **Help setup:** lap-counting system, PA systems, prepare circuit including watering if required.
- The track remains closed, at all times during the set up and clean up periods, do not start your engines during these times.
- Once registered you are required to stay until the completion of the last race and all equipment has been packed up. This is to also ensure we have marshals available for all finals and everybody is required to help with the packing up of all equipment.
- If you must leave prior to the finish you must advise race control.
- During heats, you must let faster drivers pass i.e. if you have been caught up to they are faster than you are! For finals, only if you are being lapped.
- Abusive or bad language is not acceptable at any time, abuse of race officials can result in instant termination of membership.
- Remove all rubbish! You must take all rubbish with you when you leave.
- All members must attend working bees from time to time.
